**MOTION TO PRESERVE RECORDS, 911 CALLS, PRIOR COMPLAINTS ON
TRESPASS, OR LARCENY OF THE RESIDENCE OF ALEXANDER JOHN FEASTER**

NOW COMES Alexander John Feaster, by and through his attorney Stephen Jones, and states that the Defendant is charged with a serious felony offense, assault and battery with a deadly weapon with the intent to kill, which alleged incident occurred after numerous threats made against the Defendant by unknown persons, including at least a half a dozen prior successful attempts to steal his flags and other political paraphernalia and memorabilia that was on display outside his house, drive-by shootings, or the throwing of projectiles, or trespass. The Defendant asserts that numerous complaints were made by him via the telephone and/or computer to the Federal Bureau of Investigation and to the Garfield County Sheriff's Office. The Defendant requests that all such communications be preserved for future inspection and reproduction in Court, including any tape recordings, 911 call tape-recordings, Officer's notes or any incident or arrest reports. Defendant believes that the Garfield County Sheriff's office had possession of security cameras at his house which had video footage demonstrating prior trespass and/or threats against the Defendant, and that some of these video images were clear

enough to find and locate the suspects who had committed the crime of larceny of personal property by tearing down flags exhibiting support for national socialism (“Nazi flags”) and that search warrants were issued in that case against the suspects who took the flag, the suspects were identified by law enforcement, apologized to the Defendant, and gave him the money to purchase a third flag which in turn was stolen.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Stephen Jones", written over a horizontal line.
