Defendant's Name WILSON, LABREAUNNE

Agency Case Number: 20-67436

NARRATIVE: The undersigned has probable cause to believe the above-named defendant on the 16 of September 2020 at 14:20 at 4855 S ORANGE BLOSSOM TL (Zone: 43) in Orange County did

Labreaunne Wilson did commit the offense of first degree murder (Florida State Statute 782.04(1)(a)) on Wednesday, September 16, 2020 around 1425 hours at 4800 South Orange Blossom Trail, Orlando, based on the following circumstance: On September 16, 2020 around 1425 hours, the defendant, Labreaunee Wilson, was seen on Key Suites video, and by witnesses, exiting the Key Suites located at 4855 South Orange Blossom Trail, Orlando. Wilson was pulling her six year old son, Avion Barner (victim), across the street with her. Wilson was crossing South Orange Blossom Trail without regard for traffic, pulling her child with her, and crossed to a small body of water/lake area (Lake Tyler) located at 4800 South Orange Blossom Trail. At around 1431 hours, on Key Suites video, Wilson returns across South Orange Blossom Trail, from the Lake Tyler, and re-entered Key Suites. She was seen walking into the apartment complex alone, without her son, with whom she initially crossed the street. At around 1458 hours, Wilson, once again, exited the Key Suites (on video), and crossed South Orange Blossom Trail towards Lake Tyler. Wilson returned to Key Suites at 1458 hours, at which time she was seen on video, and by a witness, carrying her son drapped across her left shoulder. Her son was limp and wet and was not moving. Wilson returned to her apartment, located at 4855 South Orange Blossom Trail #326, with her son. At around 1632 hours (approximately an hour and a half later), Wilson was seen on Key Suites video exiting Key Suites, crossing South Orange Blossom Trail, and entering Lake Tyler alone. Witnesses observed this action and went across the street. Those witnesses observed Wilson remove her clothing and enter the lake nude. Witnesses tried to coax Wilson out of Lake Tyler, but she kept saying "God forgive me," and refused to exit. Witnesses entered the lake, along with Orange County Fire Rescue, and extracted Wilson from the water. Witnesses, knowing that Wilson had a son, began searching the lake for her son. One witness advised someone to check Wilson's apartment. An apartment complex manager, along with the victim's grandmother (who also lives within Key Suites), went to Wilson's apartment, where they found Wilson's son, Avion Barner, in the bath tub of the only bathroom within the single bedroom apartment. There was water in the tub and the child was unresponsive. Avion Barner's grandmother described that there was foam in Avion Barner's mouth. Avion Barner was removed from the bathtub, at which time CPR was administered by the grandmother. On scene deputies responded to the apartment and took over CPR until paramedics arrived. Avion Barner was transported to Arnold Palmer Hospital where he was pronounced deceased at 1642 hours by Doctor Camilo Flores. I, Detective Latasha McGuire, was contacted and responded to the scene as the primary Homicide Detective. Once on scene I spoke with several witnesses. I first spoke with Darryl Hall, who said that around 1640 hours, he was in the front office of Key Suites to check on a package when office staff told him that they saw the defendant walking across South Orange Blossom Trail towards Lake Tyler. Mr. Hall went across the lake and saw the defendant in the water. He jumped into the water to assist in extracting the defendant from the water, along with other witnesses. Once Mr. Hall and other witnesses got the defendant onto the shore, fire rescue, who was already on scene, took over care of Wilson. Mr. Hall heard the defendant repeating "God forgive me" as he was trying to get her out of the water. Mr. Hall began looking for the defendant's son due to others stating they thought her son was in the water with her. However, Mr. Hall could not find the defendant's son, so instructed others to check the defendant's apartment. Mr. Hall had no further involvement. Another witness, identified as Benita Brinkley, explained that she lives in an apartment where the living room window faces the parking lot. Around 1430 hours, Miss Brinkley remembered seeing an unknown black female walking from the front entrance area of Key Suites towards the building that houses apartment 236. Miss Brinkley saw that the female had a small boy draped over her left shoulder, and the female was carrying the limp boy through the parking lot. The boy was wearing dark colored shorts with red stripes down the side. Miss Brinkley did not see from where the female came and to where she went. Miss Brinkley was unfamiliar with the female and the boy, but assumed the female was the boy's mother. Miss Brinkley had no further involvement. A witness identified as Santana Gunn explained that she was friends with the defendant and has known her since Miss Gunn moved into Key Suites a year prior. Miss Gunn and the defendant regularly spend time together, within the apartment complex, and their children play together. On September 16, 2020, Miss Gunn went to see the defendant around 0930 hours. The two spoke and Miss Gunn said everything was fine. Around 1330 hours, Miss Gunn was in the defendant's apartment, after having retrieved her daughter from school, and her daughter was playing with Avion Barner. Everything seemed fine. Miss Gunn took her daughter outside to the courtyard are of the apartment complex, where her daughter continued to play with Avion Barner. Around 1430 hours, suddenly, the defendant walked into the courtyard

and grabbed Avion Barner by the arm and said they had to leave. Miss Gunn does not know where the defendant went with Avion Barner. However, around 1430 hours, Miss Gunn saw the defendant pacing around the courtyard area, alone, saying "444" and "God forgive me" over and over again. When Miss Gunn asked the defendant what was wrong, the defendant walked towards the entrance to the apartment complex. Miss Gunn went to her apartment and told her sister that the defendant was acting weird, then went to the entrance to find the defendant. Miss Gunn saw the defendant walking across South Orange Blossom Trail, towards Lake Tyler. Miss Gunn crossed the road after the defendant. Once she reached the edge of the lake, Miss Gunn saw that the defendant was nude and walking into the water. Miss Gunn, along with other witnesses, worked to get the defendant out of the lake, after which she was turned over to fire rescue personnel. One of the paramedics that responded and assisted in transporting the defendant to the hospital provided a statement explaining that, while in transit, the defendant stated "I think I killed my child." This was also spontaneously uttered in the present of on scene deputies, who had their body worn cameras activated. The defendant was transported to Orlando Regional Medical Center, where she was treated then cleared with no injuries. The defendant was transported to the Orange County Sheriff's Office, where I spoke with the defendant. I had a short conversation with the defendant after which I advised her of her Miranda Rights, read from an agency issued Miranda Card. Once the defendant said she understood her rights, I asked her to walk me through her day.

[REDACTED]

No further questioning took place at that time. After approximately a half an hour after leaving the defendant, I was notified by the deputy in whose custody the defendant remained (while in the Orange County Sheriff's Office), that the defendant requested to speak with me. I made contact, again, with the defendant, and re-read her the Miranda Warnings from my agency issued card. The defendant indicated that she understood.

[REDACTED]

. Based on the above circumstances, probable cause exists to show that Labreaunne Wilson did commit the offense of murder in the first degree.
