**OfficerID: PAULDINGCO\mmcmaster, Investigative Narrative**

On the above date, I, Dep. McMaster, responded to a subject complaint. The call was in reference to a male with dark clothing and a backpack attempting to break into cars in the area. This is the second call that Deputies have received in the area in the matter of thirty minutes. The descriptions on both calls were similar in nature. The actions of the suspect in both calls were the same. The suspect was attempting to enter into vehicles in the area. Due to my knowledge and experience with this type of crime, I know that many weapons are targeted. I have taken multiple reports about guns being stolen from vehicles. It was unknown if the suspect has made it into a vehicle at this time due to the earlier hour of the morning.

Upon arriving into the area, I noticed that there was very little foot traffic. I drove down Evans Mill Dr with my high beams on due to the lack of streetlights in the area. I located a white male walking towards Highway 120 with dark in color clothes on and what appeared to be a backpack strapped to his back. I turned on my roof mounted blue lights to indicate multiple things. I turned the lights on to identify myself as a Law Enforcement Officer. I was going to be parking in the middle of a county maintained roadway where there were other vehicles driving and I wanted the suspect to stop. As I get out of my patrol vehicle, I notice that the suspect, later identified as Tyler, had his hands in his dark in color jacket pocket. I instructed Tyler to remove his hands from his jacket. Tyler stated, "What is going on?" I again commanded Tyler to show me his hands and he finally complied. I instructed Tyler to take his backpack off, so I could detain him. Tyler attempted to pull his hand away from mine; but was unable. Tyler continued to ask what was going on and refusing to comply with my commands. I command Tyler multiple other times to take his backpack off and to place his hand behind his back. I explained that he matched that description of the suspect in the calls above. Tyler still refused to listen and comply with my orders. I informed Tyler multiple times that I would place him on the ground if he did not comply with my orders. Due to the lack of sun light, me being alone at the time and my knowledge of targeted items in entering autos, I gained control of Tyler and pushed him up against my patrol vehicle. Tyler was making movements with his hands I was unable to see due to the lack of sun light; my blue/white lights were extremely bright as well. I finally removed Tyler's backpack from him and attempted to place him in handcuffs. Tyler again attempted to loosen my grip and tried to turn around to face me. I still have not patted Tyler down for weapons at this point. Tyler's left hand went towards his waist band, out of my view. I then gained control of Tyler and escorted him to the ground to better control him. I wrapped my arms around Tyler's waist locking one on his arms in and shifted his weight to get him off balance. The surface of the road was black top and we were on a downward hill. Once Tyler and I were on the ground, Dep. Ogden arrived on scene. Dep. Ogden and I placed Tyler into handcuffs to affect the arrest. During the incident, I sustained injuries to my left arm and hand. Tyler was raised to his feet and then placed into the back seat of my patrol vehicle. Dep. Ogden called for Metro EMS to arrive to evaluate Tyler's injuries. Metro EMS recommended that Tyler go to the hospital to be evaluated. Dep. Ogden transported Tyler to the Paulding Wellstar.

I went to the incident location and spoke with Dexter. Dexter showed me a security video of the suspect. The suspect had dark clothing and a dark backpack on. The only difference was that Tyler had on square toe boots and the suspect had orange shoes on. It is unknown if the suspect is Tyler due to the close proximity of the calls and Tyler's residence. It is plausible that Tyler was able to change his shoes prior to our contact. In cases of entering auto, it is uncommon for someone to commit the act alone. Dexter stated that nothing was taken from his vehicle due to it being locked. I informed Dexter that a report will be completed.

After speaking with Dexter, I went to Paulding Wellstar to sit with Tyler. Tyler suffered a cranial fracture and a clavicle fracture. Tyler had blood coming from his left ear due to when he hit the ground he still had an ear bud inserted into his ear. Tyler was transferred to Kennestone Hospital in Cobb County to be observed. I completed a warrant for Obstruction of Law Enforcement. I completed a criminal report and a use of force report. I then went back into service. It is to be known that a first report of injury was completed for me due to injuries sustained during the incident. My injuries include; an abrasion to my left elbow and swelling. Also, an abrasion to my left hand and swelling to my pointer finger knuckle.

**CASE REPORT SUPPLEMENT**

**CASE# 2022-03040013**

**SUPPLEMENTAL NARRATIVE**

On this date, 03/04/2022, I was dispatched to [REDACTED] in reference to a male looking into a vehicle at this location. While I was enroute Deputy McMaster had already gone on scene. When I turned on to Evans Mill Drive from Charles Hardy Parkway, I observed Deputy McMaster's vehicle with its blue lights on near the intersection of Evans Mill Drive and Camry Circle. I did not see anyone around the vehicle at first. As I was pulling up on the driver side of Deputy McMaster's vehicle I observed Deputy McMaster hip tossing a white male, who was later identified as Tyler Canaris. I observed Tyler's feet in the air and then he hit the ground with Deputy McMaster falling on top of him, in front of Deputy McMaster's vehicle. I was still pulling up along side Deputy McMaster's vehicle when I observed this. I quickly got on the radio and said we were (10-10), which means actively in a physical fight. I then got out of my vehicle and ran to where Deputy McMaster was. Deputy McMaster already had one handcuff on the right wrist of Tyler Canaris. I then placed my knees on the small of the back (right side) and held the already cuffed hand while Deputy McMaster had just gotten Tyler's left hand. I then handcuffed the left hand at the request of Deputy McMaster. I then helped Deputy McMaster stand Tyler up where he was patted down and placed in the back of Deputy McMaster's patrol vehicle. EMS was then called to the scene to check on Tyler. Fire and Metro advised there was blood in the left ear of Tyler. After Metro completed there evaluation, I then placed Tyler into the back of my patrol vehicle and transported him the the Paulding Well Star Hospital Emergency Room. No further information at this time.

**OfficerID: PAULDINGCO\togden, Investigative Narrative**

On this date, 03/04/2022, I was dispatched to [REDACTED] in reference to a male looking into a vehicle at this location. While I was enroute Deputy McMaster had already gone on scene. When I turned on to Evans Mill Drive from Charles Hardy Parkway, I observed Deputy McMaster's vehicle with its blue lights on near the intersection of Evans Mill Drive and Camry Circle. I did not see anyone around the vehicle at first. As I was pulling up on the driver side of Deputy McMaster's vehicle I observed Deputy McMaster hip tossing a white male, who was later identified as Tyler Canaris. I observed Tyler's feet in the air and then he hit the ground with Deputy McMaster falling on top of him, in front of Deputy McMaster's vehicle. I was still pulling up along side Deputy McMaster's vehicle when I observed this. I quickly got on the radio and said we were (10-10), which means actively in a physical fight. I then got out of my vehicle and ran to where Deputy McMaster was. Deputy McMaster already had one handcuff on the right wrist of Tyler Canaris. I then placed my knees on the small of the back (right side) and held the already cuffed hand while Deputy McMaster had just gotten Tyler's left hand. I then handcuffed the left hand at the request of Deputy McMaster. I then helped Deputy McMaster stand Tyler up where he was patted down and placed in the back of Deputy McMaster's patrol vehicle. EMS was then called to the scene to check on Tyler. Fire and Metro advised there was blood in the left ear of Tyler. After Metro completed there evaluation, I then placed Tyler into the back of my patrol vehicle and transported him the the Paulding Well Star Hospital Emergency Room. No further information at this time.
