**MOTION FOR GREATER THAN STANDARD BOND**

Comes now the State of Indiana, by its Deputy Prosecuting Attorney, and requests that the Court set bond in this matter in an amount which is greater than the standard bond. Lieutenant Darren Stonehouse of the Marion County Sheriff's Office swears (affirms) that:

On 01/10/2025, Lt. Stonehouse with the Marion County Sheriff's Office, Grand Jury Division, was made aware of a possible pattern of stalking by Michael Thomas Lewis (W/M DOB 01/05/1970) against Caitlin Clark. Lt. Stonehouse learned that Michael Lewis sent multiple threatening and sexually explicit messages through his "X" account – "Michael Lewis@RacerX2031" – to Caitlin Clark's "X" account – @CaitlinClark22.

Listed below are some of the posts made by Michael Lewis from 12/16/2024 through 01/02/2024.

Due to the nature of these messages, the FBI sent an Emergency Disclosure request to “X” requesting account information regarding Michael Lewis’s “X” account. It was subsequently confirmed that the “X” account belonged to Michael Lewis and the recent messages he sent came from an IP address at the Hilton Garden Hotel, located at 120 West Market Street, Indianapolis, Indiana, and another IP address belonging to the downtown Indianapolis Public Library. Lewis’s presence in Indianapolis was especially concerning given that he is a Texas resident.

On 01/08/2025, IMPD officers with body worn cameras went to Michael Lewis’s hotel room on a welfare check. After knocking on the door, Lewis willingly came out and talked to the IMPD Officers. Lewis confirmed that he was not a resident of Indiana and that he was from Texas and claimed to be in Indianapolis on vacation. When asked why he was making so many posts about Caitlin Clark, Lewis said, “just the same reason everybody makes posts.” When asked about posts that were threatening in nature, Lewis said it wasn’t him. Lewis claimed that this is just an imaginary relationship.

Lewis was asked to not post things like he has been posting, and to double check what he sends out because his posts can be perceived as threatening. Lewis said, it’s an imagination, fantasy type thing and it’s a joke, and it’s nothing to do with threatening. After their conversation, the officers left and Lewis went back into his hotel room.

On 01/11/2025, Lt Stonehouse interviewed Caitlin Clark. Clark stated that she has been very fearful since learning of the messages and that she has altered her public appearances and patterns of movement due to fear for her safety. Clark stated that she has become very concerned for her safety after learning that Lewis was in Indianapolis. Clark also stated that she doesn’t know Lewis and has never responded to any of his messages or posts.

Lt. Stonehouse has confirmed that Michael Lewis has continued to post on “X” towards @CaitlinClark22 as recent as 01/11/2025, after being contacted by IMPD.

I swear (affirm), under penalty of perjury as specified by IC 35-44-2-1, that the foregoing representations are true.

/s/ Lt. Darren Stonehouse
